

DISSERTATION PROGRAM FOR PHARMACY POST-GRADUATES

B. V. PATEL PERD CENTRE, AHMEDABAD

DISSERTATION PROGRAM
(JULY 1st, 2020-30th APRIL, 2021)

ABOUT

PERD is a first multidisciplinary, post-graduate research institute, dedicated to the pursuit of excellence in pharmaceutical sciences. Department of Pharmaceutics at PERD centre invites application for carrying out M. Pharm. / MS. Pharm. Dissertation in the cutting-edge areas of pharmacy. Faculty of PERD centre will share its expertise in the field and will host the students in their laboratory for a period of 6-10 months (depending on the requirement of student's curriculum). The students will be working on a research driven project and will submit a dissertation at the end of the program. The students can work on conventional as well as novel formulations and will be exposed to highly sophisticated instruments during their dissertation work and opportunity to publish their work in peer-reviewed journal. Bright students will be provided a platform for industry placement.

ELIGIBILITY

Pharmacy post-graduate
(M. Pharm./ MS. Pharm.) students.
Upto 15 candidates will be taken

APPLICATION PROCEDURE

Interested candidates are requested to submit their CV along with their areas of research interest latest by June 15, 2020

FEES

A nominal fees will be charged from the students to cover the expense of chemicals during dissertation program. We encourage students to apply in a group of two or more, to minimize the expenses
